The Honourable Rob Merrifield, P.C., M.P.
Minister of State (Transport)
House of Commons
Ottawa, ON K1A 0A6

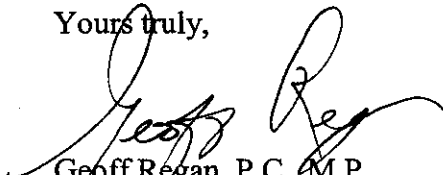

Dear Minister Merrifield:

Re: Canada Post and PSAC members' benefits

I have received a number of e-mails from constituents and PSAC representatives who are very concerned with Canada Post's proposed plan to impose a new short-term disability management option to replace employees' current sick leave entitlements.

Please advise on what the government intends to do to address these concerns, and what plans are in place to protect the integrity of the EI program as a whole.

Yours truly,

Geoff Regan, P.C., M.P.
