

Send us your slogan and win!

Even before we had a chance to submit our wage demands, the employer applied for conciliation, which means that they can technically lock us out as early as November 9th. In order to expose and counteract the employer's tactics we are preparing for future activities and we ask for your help.

We value your creativity and would like to make use of it. Please identify a bargaining demand or an issue that you are confronted with in the workplace and write a slogan about it.

Send it to us by August 25th and you can win \$100 worth of PSAC products (jackets, vests, T-shirts, etc). Send us an email at UPCE-SEPC70180@psac-afpc.com or call 613-560-4338 and leave a message with your name, slogan, and contact information.

**You can use your slogan(s) for the
“ADOPT YOUR PICKET SIGN” event, on
August 21st.**

- We always welcome new volunteers and new ideas, so let us know how and when you would like to help -
