

PSAC-UPCE BARGAINING UPDATE

STAMP OUT
workplace unfairness!

December 5, 2008

Back to the table!

Thanks to your work on the picket lines we are going back to the bargaining table.

The mediator has called both Canada Post and your bargaining team back to negotiate. Bargaining will resume by the weekend.

Support your team at the table by maintaining your picket lines.

- **Keep doing what you are doing**
- **Be visible**
- **Keep Canada Post guessing**
- **Keep picketing**
- **Keep calling and writing letters to your MPs**

Stay in touch with your picket captain. You will receive updates as soon as they are available.

Together we will win a fair collective agreement.
