Information kits for the PSAC National Health and Safety Conference have been mailed out to the membership. Watch for your local's kit in your mailbox. The information is also posted on the PSAC web site.

The conference will be held January 19 to 21, 2007 here in Ottawa.

Local presidents are asked to ensure that members of both Policy and Workplace health and safety committees and health and safety activists are made aware of this opportunity. This is a once every three year opportunity not to be missed.

Deadline for registration for delegates: October 5, 2006

Deadline for registration for observers: October 5, 2006

Deadline for receipt of resolutions: October 20, 2006
